NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

The following applies to all ERISA governed groups:

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below:

- for the period You cease Active Work in an eligible class due to injury or Sickness, up to 3 months;
- for the period You cease Active Work in an eligible class due to an Employer's approved leave of absence, up to the end of the month You cease Active Work.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Weekly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval of the Disability claim, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews, or functional capacity exams, as needed.

While You are Disabled, the Weekly Benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Weekly Benefit one week after the date benefits begin to accrue. We will make subsequent payments weekly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each week. For any partial week of Disability, payment will be made at a daily rate of 1/7th of the Weekly Benefit payable.

We will pay Weekly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Weekly Benefits, You will be required to continue to pay for the cost of any disability income insurance defined as Contributory Insurance.

RECOVERY FROM A DISABILITY

For purposes of this subsection, the term Active Work only includes those days You actually work.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group short term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period and then become Disabled, You will have to complete a new Elimination Period.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after You begin to receive Weekly Benefits, We will consider You to have recovered from Your Disability.

If You return to Active Work for a period of 90 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Weekly Benefit by an amount equal to 10% of the Weekly Benefit. We will do so before We reduce Your Weekly Benefit by any Other Income.

Work Incentive

If You work while You are Disabled and receiving Weekly Benefits, Your Weekly Benefit will be adjusted as follows:

- Your Weekly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Weekly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Weekly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Weekly Benefit will not apply.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to \$100 for weekly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
 - living with You as part of Your household;
 - dependent on You for support; and
 - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

- care for Your family member who is:
 - living with You as part of Your household;
 - chiefly dependent on You for support; and
 - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a weekly basis starting with the 4th Weekly Benefit payment. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

Moving Expense Incentive

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You receive or are eligible to receive because of Your disability or retirement under:
 - Federal Social Security Act;
 - Railroad Retirement Act;
 - Federal Employees Retirement System (FERS);
 - Civil Servants Retirement System (CSRS);
 - any state or public employee retirement or disability plan; or
 - any pension or disability plan of any other nation or political subdivision thereof;
2. any income received for disability or retirement under the Employer's Retirement Plan, to the extent that it can be attributed to the Employer's contributions;

 - a group insurance policy to which the Employer has made a contribution, such as:
 - benefits for loss of time from work due to disability; and
 - installment payments for permanent total disability.
 - a no-fault auto law for loss of income, excluding supplemental disability benefits;
 - a government compulsory benefit plan or program which provides payment for loss of time from Your job due to Your disability, whether such payment is made directly by the plan or program, or through a third party;
 - a self-funded plan, or other arrangement if the Employer contributes toward it or makes payroll deductions for it;
 - any sick pay, vacation pay or other salary continuation that the Employer pays to You;
 - Unemployment insurance law or program; and/or
4. any income that You receive from working while Disabled. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source.
5. recovery amounts that You receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise, including future earnings.

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR SOCIAL SECURITY BENEFITS

If there is a reasonable basis for You to apply for benefits under the Federal Social Security Act, We expect You to apply for them. To apply for Social Security benefits means to pursue such benefits until You receive approval from the Social Security Administration, or a notice of denial of benefits from an administrative law judge.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce the amount of Your Disability benefit by the amount of Social Security benefits We estimate that You, are eligible to receive because of Your Disability or retirement. We will start to do this after You have received 24 months of Disability benefit payments, unless We have received:

- approval of Your claim for Social Security benefits; or
- a notice of denial of such benefits indicating that all levels of appeal have been exhausted.

However, within 6 months following the date You became Disabled, You must:

- send Us Proof that You have applied for Social Security benefits;
- sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance; and
- sign a release that authorizes the Social Security Administration to provide information directly to Us concerning Your Social Security benefits eligibility.

If You do not satisfy the above requirements, We will reduce Your Disability benefits by such estimated Social Security benefits starting with the first Disability benefit payment coincident with the date You were eligible to receive Social Security benefits.

In either case, when You do receive approval or final denial of Your claim for Social Security benefits as described above, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement. If the attorney fees are incurred because of Your successful pursuit of Social Security disability benefits, such fees are limited to those approved by the Social Security Administration;

- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends ; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE

ADDITIONAL SHORT TERM BENEFIT: ORGAN DONOR

If You become Disabled as a result of an Organ Transplant Procedure while insured, Proof of the Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Organ Donor benefit shown below.

If We pay this benefit, You will not have to complete an Elimination Period and You will not be subject to the PRE-EXISTING CONDITIONS section for purposes of such organ transplant procedure.

BENEFIT AMOUNT

We will increase Your Weekly Benefit by an additional amount equal to 10% of Your Weekly Benefit. This increase will be applied to the first Weekly Benefit payment and continue while You remain Disabled, up to the Maximum Benefit Period.

DISABILITY INCOME INSURANCE: PRE-EXISTING CONDITIONS

- received medical treatment, consultation, care, or services;

4. attempted suicide; or
5. commission of or attempt to commit or taking part in a felony.

We will not pay Short Term Benefits for any Disability caused or contributed to by elective treatment or procedures, such as:

1. cosmetic surgery or treatment primarily to change appearance;
2. sex-change surgery;
3. reversal of sterilization;
4. liposuction;
5. visual correction surgery; and
6. in vitro fertilization; embryo transfer procedure; or artificial insemination. However, pregnancies and complications from any of these procedures will be treated as a Sickness.

FILING A DISABILITY INCOME CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than 14 days after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When a claimant files an initial claim for Disability Income insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to us within 90 days after the end of the Elimination Period.

Notice of claim and Proof may also be given to Us by following the steps set forth below:

Step 1

A claimant may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 2

We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3

When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4

The claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given within 90 days after the end of the Elimination Period or if it is not reasonably possible to give notice of claim or Proof within such period, they are given as soon as is reasonably possible thereafter.

"THIS IS THE END OF THE CERTIFICATE. THE FOLLOWING IS ADDITIONAL INFORMATION"

SPECIAL SERVICES

Social Security Assistance Program

If you become Disabled MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your Employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability. There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids reduced retirement benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost of Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost of living increases awarded by Social Security. This is also true for any cost of living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost of living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you apply for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provide expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge
- c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d) A civil suit in Federal Court

3. Social Security Attorneys and Vendors

Depending on your individual needs, MetLife may provide a referral to an attorney or vendor who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability Overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum social security disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on Employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services

As a covered Employee you are automatically eligible to participate in our Return-to-Work Program. The Program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities. There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications/Accommodations

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor's credentials, specialty, reputation, and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.
