

**Preferred  
Network  
Access**

## PROGRAM SUMMARY

The **Preferred Network Access by CIGNA** dental savings plan can save members an average of **37%** on most dental services. With more than 110,000 participating locations nationwide, members have access to top-notch dental care. Members may visit any participating dentist or specialist and receive immediate dental discounts on dental treatments. Save at General Dentists and on specialist treatments at Endodontists, Orthodontists, Oral Surgeons and other specialists. Preferred Network Access by CIGNA provides a smart way to save on dental care.

## BENEFITS INCLUDED

- Dental benefits including basic/preventative, restorative, orthodontics, cosmetic, dentures/implants and oral surgery services
- Save all year long with no annual limits
- Access to specialists with no required referral fees

Total Savings			\$2,019

### Preferred Network Access by CIGNA

## Member Testimonial

We don't have to stress out nearly as much when we go to the dentist because we know it's just not going to cost the thousands of dollars that it normally would. The savings are enormous—literally half of what we would otherwise pay the dentist.

-Preferred Network Access by Cigna Member, Ben M.
