\*This schedule applies to services provided by a participating Careington General Dentist. The purpose of this schedule is to establish the maximum fee that a General Dentist will charge for each procedure. Member is responsible for all charges at the time of service. Participating Specialists (Board Certified or Advanced Degree) do not charge according to a fee schedule. Participating Specialists will give a 20% discount off of their normal fees. Fee schedules are subject to change without prior notification to members.

\*Procedures not listed on this schedule will be discounted at 20% off the General Dentist's normal fee at the time of service.

\*If the General Dentist's normal fee for any procedure is less than the fee listed on this schedule, the dentist will charge 20% off of their normal fee for that procedure.

\*Any procedure involving lab and OSHA fees will incur additional costs. All applicable lab and OSHA fees are the full responsibility of the member and are subject to no discount.

\* Careington or its vendors may periodically adjust this fee schedule with 30 days notice to Client.

\*While all participating Careington providers are professionally licensed in the state in which they practice, Careington does not guarantee the quality of service of the providers. Any quality of care concerns involving any participating Careington provider should be directed in writing to: Careington Corporation, Attn. Provider Relations, PO Box 2568, Frisco, Texas 75034. Please call 800-290-0523 if you have any further questions.

\*It is the Member's responsibility to verify that the dentist is a participating Provider before seeking any treatment. Any dental procedures performed by a non-participating dentist are not discounted and are charged at the dentist's normal fees.

\*The dollar amount specified adjacent to each procedure may not be the only cost incurred for a given treatment - many treatments may require more than one dental procedure. Please consult your Careington provider for a detailed treatment plan prior to beginning any work.

\*Work in progress prior to joining the dental plan must be completed by the dentist who started the work and is subject to no discount.

\*Careington can not guarantee the continued participation of any dentist. If the dentist leaves the plan, you will need to select another participating Careington provider. Not all types of dentists may be available in your area.

\*Some providers may charge for missed or broken appointments if no prior notice is given as per their office policies and are subject to no discounts.
