Up to 110,000 Miles

This coverage supplements the vehicle's protection provided under a new vehicle warranty from the manufacturer. Included in this coverage is the replacement of covered components resulting from the gradual wear and use when the wear exceeds manufacturer's recommendations. This coverage will cover necessary repairs to your vehicle's mechanical and electrical systems except for items shown in a short exclusions list.

What is not covered?

Only what you would expect.

Routine maintenance items such as oil, coolant, fluids, refrigerant, and others are not covered. Items that routinely need replacement such as the battery, tires, brake pads, brake shoes, brake drums, exhaust system, and shock absorbers are not covered. Appearance items such as bright metal, vinyl, ornaments, wheel covers, and paint are not covered. Interior items such as upholstery, buttons, carpet, door and window handles are not covered.

Your Car Qualifies for Coverage

← If your vehicle has less than 70,000 miles and is less than 8 model years old.

If your vehicle has more than 70,000 miles (less than 225,000) or is older than 8 model years old. →
